Date: 29th October, 2026

To: The Management, ADOM City Estate Company Ltd, 35 Djanie Ashie Street, East Legon, Accra

From: Film Beyond Imagination (FBI), Dome, Accra

Re: Partnership Proposal for Smart Home Automation and Estate CCTV Across ADOM Project Sites

Dear Sir/Madam,

From Tema Community 25 and Mataheko to Aprah Hills, Danfa, Gbetsile, Kuntunse, Afienya and your Adom Heights projects, ADOM City is building homes across Greater Accra. Film Beyond Imagination (FBI) would like to partner with you to make every one of those communities smart and secure.

What we would deliver

- **Estate CCTV:** HD cameras at entrances, perimeter walls and streets, with central recording and remote viewing for your management and security teams.
- **Site security during construction:** cameras that protect materials and equipment on active sites.
- **Access control** at estate gates: resident cards or app entry and visitor logs.
- **Smart home packages**: smart lighting, door locks, cameras and AC control from one app, as a standard feature or buyer upgrade.

What ADOM City gains

- **A clear selling point** for buyers at home and abroad, who can watch over their home from anywhere.
- **Partner rates** across all sites, with room to price smart features into your homes.
- **One installer** for design, installation and support, already trusted by Imperial Homes.

We offer a free site survey, system design and quote for one of your project sites. We would welcome a short meeting at your East Legon office.

Yours faithfully,

Jerbel Mark Addeh
