Re: Proposal for Live Streaming and Media Production of Services

Dear Sir/Madam,

With three Sunday services, Saturday Night Church, LifeNight Bible Study and Divine Encounter, Agape House ministers to its members all week. Your YouTube channel and sermon audio already reach people outside the building. Film Beyond Imagination (FBI) would like to help you take every service live, in broadcast quality.

What we offer

- **Multi-camera live streaming** of services to YouTube, Facebook and your website, with clean sound and backup internet.
- **A permanent streaming setup** designed and installed for your auditorium, that your team can run each week.
- **Training** for your media volunteers.
- **Sermon clips and promos** for social media, and coverage of special programmes.

Why FBI

We run our own live channel, FBI TV, and stream events across Ghana. We stay discreet and keep the focus on worship.

We offer a free assessment of your current setup with written recommendations. We would welcome a short meeting with your media team.

Yours faithfully,

Jerbel Mark Addeh
