Re: Proposal for 70th Anniversary Media Coverage and Campus Security Upgrades

Dear Head of School,

Congratulations on 70 years of Christ the King International School. Your anniversary year, with fundraising galas, alumni meetups, leadership summits and a campus redevelopment project, is a once-in-a-generation moment. Film Beyond Imagination (FBI) would like to help you capture it, and secure the campus you are rebuilding.

Anniversary media

- **Live streaming** of galas and summits for alumni around the world.
- **A 70th anniversary documentary** with alumni and staff interviews, plus event photography and drone footage.
- **Fundraising films** to support the campus redevelopment appeal.

Campus security and networking

- **HD CCTV and access control** at gates, classrooms and play areas, designed into the redevelopment.
- **Campus-wide Wi-Fi** for your smart classrooms and computer lab.

We offer a free creative concept for the anniversary and a free site survey and quote for the campus. We would welcome a short meeting.

Yours faithfully,

Jerbel Mark Addeh
