Re: Proposal for an In-House Event Production Partnership

Dear Sir/Madam,

With five conference halls, high-speed internet and a poolside area for functions, Erata Hotel hosts corporate and private events every week. More and more clients now ask for their events to be streamed, filmed and photographed. Film Beyond Imagination (FBI) would like to be your recommended production partner.

What your clients would receive

- **Live streaming** of conferences, launches, AGMs and weddings, in HD with clean sound.
- **Multi-camera video** and same-day highlights for social media.
- **Event photography** and optional drone coverage.

What Erata gains

- **A complete events package** to win more bookings.
- **Partner rates** with a referral margin for the hotel on every booking.
- **A promotional film and photo set** of your halls, pool, rooms and restaurant.

We run our own live channel, FBI TV, and have produced work for clients including Criterion Media House and the District Assemblies Common Fund. We would welcome a short meeting with your events team.

Yours faithfully,

Jerbel Mark Addeh
