Re: Proposal for Campaign Media, Explainer Videos and Event Streaming

Dear Sir/Madam,

From the National Anti-Corruption Dialogue 2026 to your electoral integrity work with first-time voters and your policy briefs, GACC works to make accountability real for ordinary Ghanaians. Film Beyond Imagination (FBI) would like to help those messages reach further.

What we offer

- **Live streaming** of dialogues, forums and press events, so citizens and partners can follow nationwide.
- **Explainer videos** that turn policy briefs into short, shareable content.
- **Campaign films and social clips** for youth and first-time voter outreach.
- **Photography and short documentaries** for reports and donor updates.

Why FBI

We produce communication campaigns and broadcast content for clients including the District Assemblies Common Fund, and run our own live channel, FBI TV.

We offer a free creative concept and budget for your next dialogue or campaign. We would welcome a short meeting with your communications team.

Yours faithfully,

Jerbel Mark Addeh
