Re: Proposal for a Media Partnership on Your Conferences and Events

Dear Sir/Madam,

From the NITA Dinner & Awards to the Supply Chain & Research Summit and the Energy Sustainability Conference, GPS already supports major events across Ghana. Many of those clients also need streaming, video and photography. Film Beyond Imagination (FBI) would like to be your media partner, so you can offer one complete package.

What we would provide

- **Live streaming** of conferences, AGMs, launches, weddings and funerals.
- **Event video**, highlight reels and interviews for social media.
- **Photography** and optional drone coverage.
- **Screens and live visuals** for conferences and award nights.

What GPS gains

- **A bigger offer** to clients, delivered by one trusted crew.
- **Partner rates** with a referral fee on every job you pass to us.
- **Content** of your teams at work to market GPS.

We run our own live channel, FBI TV. We would be glad to cover one of your upcoming events together as a trial. We would welcome a short meeting.

Yours faithfully,

Jerbel Mark Addeh
