Re: Proposal for Impact Films, Programme Documentation and Event Coverage

Dear Sir/Madam,

From BRAVE II and its Market Linkages work with entrepreneurs in Bawku West and Binduri to your Legacy Projects, STAR-Ghana strengthens civil society across the country. Film Beyond Imagination (FBI) would like to help you show that impact to partners, donors and the public.

What we offer

- **Impact documentaries and short films** on programmes such as BRAVE II, told by the communities and entrepreneurs involved.
- **Programme documentation**: photography, interviews and drone footage for reports and donor updates.
- **Live streaming and coverage** of launches, showcases and learning events.
- **Social media content** for campaigns and calls for proposals.

Why FBI

We produce communication campaigns and broadcast content for clients including the District Assemblies Common Fund, and run our own live channel, FBI TV. We travel nationwide and work sensitively with communities.

We offer a free creative concept and budget for your next programme film. We would welcome a short meeting with your communications team.

Yours faithfully,

Jerbel Mark Addeh
