Re: Proposal for an Event Production Partner for the Conference and Events Centre, Hotel Marketing Films and CCTV Support

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and technology company with more than 500 projects delivered for over 300 clients across Ghana. The conferences, exhibitions and celebrations held in your Conference and Events Centre are moments your clients want filmed, photographed and streamed. We would like to be the production partner you can recommend to them.

How we can help

- **Recommended event production partner:** photography, video coverage and multi-camera live streaming your team can offer clients when they book. This adds value to your event packages at no cost to the hotel, and we can agree a referral arrangement.
- **Hotel marketing films and photography:** a cinematic hotel film, aerial footage of the hotel's central location, and room and hall photography for your website and booking platforms.
- **Conference AV and live streaming** for hybrid meetings, with backup internet.
- **CCTV and security:** survey, installation and maintenance of camera systems.

Why FBI

We plan every job carefully, use broadcast-grade equipment and deliver on time, so clients you refer to us reflect well on the hotel.

We would welcome a short meeting with your events team to agree how we can work together. Our work can be viewed at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
