Re: Proposal for Live Streaming Support, Church Media Production and CCTV

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and technology company with more than 500 projects delivered for over 300 clients across Ghana. Accra Ridge Church already reaches its congregation online. We would like to help your media team raise the quality of that broadcast and support your special services and events.

How we can help

- **Multi-camera live streaming:** professional cameras, clear sound and graphics for Sunday services, with backup internet so the stream stays up. We can run it fully, or support and train your volunteer team.
- **Special services and events:** Easter, Christmas, carols, conventions, weddings and memorial services, filmed and streamed, with full recordings delivered.
- **Church media:** sermon clips for social media, testimony videos, event photography and church documentary films.
- **Broadcast on FBI TV:** selected services and programmes can also air on our live channel, FBI TV, reaching viewers in Ghana and abroad.
- **CCTV and security** for the church grounds and car park.

Why FBI

One team handles the cameras, the streaming and the technology. We plan carefully and deliver on time.

We would welcome a short meeting with your media team. Our work can be viewed at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
