Re: Proposal for an In-House Event Production Partner, Hotel Marketing Films and CCTV Support

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and technology company with more than 500 projects delivered for over 300 clients across Ghana. The conferences, weddings, launches and celebrations you host every week are moments your clients want filmed, photographed and streamed. We would like to be the production partner you can recommend to them.

How we can help

- **Recommended event production partner:** your sales team can offer clients photography, video coverage and multi-camera live streaming as part of their booking. This adds value to your packages at no cost to the hotel, and we can agree a referral arrangement.
- **Hotel marketing films and photography:** a cinematic hotel film, aerial shots, room and hall photography for your website, booking platforms and social media.
- **Conference AV and live streaming** for hybrid meetings, with backup internet.
- **CCTV and security:** survey, installation and maintenance of camera systems for entrances, car parks and public areas.

Why FBI

We plan every job carefully, use broadcast-grade equipment and deliver on time, so clients you refer to us reflect well on the hotel.

We would welcome a short meeting with your sales team to agree how we can work together. Our work can be viewed at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
