Re: Proposal for Hybrid Meeting Streaming in the Asanteman and Bortey Halls, Event Coverage, Hotel Films and CCTV

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and technology company with more than 500 projects delivered for over 300 clients across Ghana. Many organisations booking meeting rooms today need part of their audience to join online. With the Asanteman and Bortey halls and the Obrempong Boardroom, Airport West Hotel is well placed to offer that, and we can help.

How we can help

- **Hybrid meeting and live streaming service:** professional cameras, sound and streaming for meetings, workshops and launches in your halls, offered to your clients as an add-on, with backup internet.
- **Event coverage partner:** photography and video your team can recommend to clients, with a referral arrangement for the hotel.
- **Hotel marketing films and photography** for your website and booking platforms.
- **CCTV and security:** survey, installation and maintenance of camera systems.

Why FBI

We plan carefully, use broadcast-grade equipment, rehearse before major events and deliver on time.

We would welcome a short meeting to agree a simple package your team can offer clients. Our work can be viewed at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
