Security Systems & Corporate Media Proposal

Prepared for Nyaho Medical Centre

Airport Residential Area, Accra, and branches

Secure premises across every branch. A clear story of care.

Date: 26th October, 2026

To: The Administration and Marketing Office, Nyaho Medical Centre, 35 Kofi Annan Street, Airport Residential Area, Accra

From: Film Beyond Imagination (FBI), Dome, Accra

Re: Proposal for Multi-Branch CCTV Systems, Corporate Films and Event Coverage

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and technology company with more than 500 projects delivered for over 300 clients across Ghana. With a main branch open around the clock and further branches, Nyaho Medical Centre needs security that can be overseen from one place, and media that shows patients the care available at each location. We can help with both.

How we can help

- **Multi-branch CCTV:** survey, installation and maintenance of cameras at each branch, viewable centrally by authorised management, with regular maintenance checks.
- **Corporate and service films:** facility tours of each branch and the Eye Care Centre, specialist introductions and short videos for your website and social media.
- **Health awareness content:** short educational videos produced to your medical team's script.
- **Event coverage and live streaming:** health talks, launches and staff events.

Why FBI

One team handles the security technology and the media. We plan carefully, respect patient privacy on every shoot, and deliver on time.

We would be pleased to carry out a free CCTV assessment and prepare a tailored quotation. Our work can be viewed at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
