Re: Proposal for an Event Media and Live Streaming Partnership with Geovision Services Limited

Dear Sir/Madam,

Geovision Services Limited delivers conferences, exhibitions, product launches and corporate gatherings. Film Beyond Imagination (FBI) would like to be your on-call media and live streaming partner, so every client event you run can reach an online audience and leave with professional content.

What we offer

- **Multi-camera live streaming** of conferences and launches to YouTube, Facebook, Zoom or a private link, with lower-third graphics and clean sound.
- **Event highlight films**, speaker clips and same-day social media edits for your clients.
- **Photography and drone coverage** of exhibitions, venues and launches.
- **Partner rates** so you can add media to your client packages at a healthy margin.

Why FBI

We produce live events across Ghana: funerals, ceremonies, conferences and concerts. We arrive early, test everything, bring backup internet, and deliver edited content quickly.

Funeral and event streams start from GHS 1,500 per event day within Accra, and we can share our full price guide. We would welcome a short meeting to agree partner rates.

Yours faithfully,

Jerbel Mark Addeh
