Re: Proposal for an Event Media and Live Streaming Partnership with Red Carpet Events Centre

Dear Sir/Madam,

Couples, families and companies choose Red Carpet Events Centre for their biggest days, and many of their guests cannot attend in person. Film Beyond Imagination (FBI) would like to be your preferred media partner, so every event at Red Carpet Events Centre can be streamed, filmed and photographed to a professional standard.

What we offer

- **Live streaming** of weddings, funerals, thanksgivings and corporate events for guests at home and abroad.
- **Event films, highlight videos and photography** delivered quickly for clients to share.
- **Promotional video and drone footage** of your venue for your website and social media.
- **Partner rates** for every client you refer, so you can offer media in your packages.

Why FBI

We produce live events across Ghana: funerals, ceremonies, conferences and concerts. We arrive early, test everything, bring backup internet, and deliver edited content quickly.

Funeral and event streams start from GHS 1,500 per event day within Accra, and we can share our full price guide. We would welcome a short meeting to agree partner rates.

Yours faithfully,

Jerbel Mark Addeh
