Date: 4th November, 2026

To: The Management, Ridge Cremation and Funeral Services, P.O. Box LT 720, Laterbiokorshie, Accra

From: Film Beyond Imagination (FBI), Dome, Accra

Re: Partnership Proposal for Live Streaming and Media Coverage of Farewell Services for Ridge Cremation and Funeral Services Families

Dear Sir/Madam,

Almost every family you serve has loved ones who cannot be there in person: children and siblings abroad, elderly relatives in the village, friends who cannot travel. Film Beyond Imagination (FBI) would like to give Ridge Cremation and Funeral Services families a dignified, professional live broadcast of every farewell, delivered entirely by our crew.

What families receive

- **A private live stream** of the service and committal in clear HD with clean sound, on a link families share with relatives anywhere in the world.
- **A full recording** of the service, plus optional tribute videos, photography and drone footage of the procession.

Live streaming packages (per event day, within Accra)

- **Single Camera:** GHS 1,500 – 2,000. One camera, one platform, HD recording, one operator.
- **Dual Camera:** GHS 3,400 – 4,500. Two cameras with live switching, two platforms, HD recording.
- **3-Camera Pro (most popular):** GHS 4,600 – 5,800. Graphics and lower thirds, three platforms, 4K recording, full crew.
- **4-Camera Broadcast:** GHS 7,500 – 20,000. Broadcast cameras, vMix production, LED screen integration.

Multi-day funerals (for example Friday to Sunday) are charged per day with a discount for the number of days. Outside Accra, transport and accommodation are added once we know the venue. Add-ons include drone footage (GHS 2,000), a highlight video (GHS 1,500) and a same-day highlight video (GHS 3,000).

What you gain

- **A premium service to offer families**, with partner rates for funerals you refer to us.
- **Your name on every stream** watched by relatives at home and abroad.

Why FBI

We cover funerals and live events across Ghana. Our crew is respectful and discreet, arrives early to set up and test, and brings backup internet so the stream stays up.

We would welcome a short meeting to agree partner rates and how families can book us through you.

Yours faithfully,

Jerbel Mark Addeh
