CCTV, Live Streaming & Media Proposal

Prepared for Galaxy International School

Ashaley Botwe and East Legon Campuses, Accra

Two campuses. One secure, well-told story.

Date: 26th October, 2026
To: The Management, Galaxy International School, Accra
From: Film Beyond Imagination (FBI), Dome, Accra
Re: Proposal for CCTV Across Both Campuses, Event Live Streaming and School Media

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and technology company with more than 500 projects delivered for over 300 clients across Ghana. With campuses at Ashaley Botwe and East Legon, Galaxy International School has both a security responsibility and a story worth telling. We would like to help with both.

How we can help

- **CCTV for both campuses:** a site survey of each campus, then cameras covering gates, corridors, play areas and car parks. Management can view both campuses from one phone or office screen.
- **Maintenance and support:** scheduled checks so cameras keep recording when you need them, with quick response if anything fails.
- **Live streaming of school events:** graduations, speech days, cultural days and sports, streamed live for parents and family abroad, with an HD recording delivered afterwards.
- **School films and photography:** admissions videos, aerial campus shots and event photography for your website and social media.

Why FBI

One team covers the cameras, the streaming and the storytelling, so you deal with a single dependable partner. We plan carefully, bring broadcast-grade equipment with backup internet, and deliver on time.

We would be glad to carry out a free security survey of both campuses and prepare a tailored quotation. Examples of our work are available at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
