Re: Proposal for Gated Community CCTV and Property Marketing Videos

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and technology company with more than 500 projects delivered across Ghana, including work for property businesses such as Imperial Homes. For a gated community like yours, security and presentation are two of the strongest selling points. We can help with both.

How we can help

- **Gated community CCTV:** cameras at the main gate, perimeter and common areas, with recording and phone viewing for management and security staff.
- **Maintenance plans** so the system keeps working for residents long after handover.
- **Property marketing videos:** drone footage of the estate and its surroundings, and walk-through videos showing the kitchens, en-suite bedrooms and finishes your buyers ask about.
- **Listing photography** for your website, social media and buyers abroad.

Why FBI

One team handles both the security systems and the marketing media. We plan carefully, use professional equipment and deliver on time.

We would be pleased to visit the estate for a free assessment and prepare a tailored quotation. Examples of our work are at fbigh.com.

Yours faithfully,
