Accra

Protect your sites. Show your properties at their best.

Date: 26th October, 2026

To: The Management, Molders Group, 5 Odotei Tsui Avenue, Accra

From: Film Beyond Imagination (FBI), Dome, Accra

Re: Proposal for Construction Site CCTV, Progress Videos and Property Marketing Films

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and technology company with more than 500 projects delivered across Ghana. We already work with property and construction businesses, including Imperial Homes, and understand what developers need: secure sites, and marketing that helps homes sell faster.

How we can help

- **Construction site CCTV:** cameras covering gates, materials stores and work areas, viewable from your phone, to deter theft and keep an eye on progress without being on site.
- **Estate security for completed developments:** gate and perimeter camera systems for buyers and residents, with maintenance plans.
- **Construction progress videos:** regular drone and ground footage showing each stage of work, ideal for investors, off-plan buyers and buyers abroad.
- **Property marketing films and photography:** cinematic walk-throughs, aerial shots and listing photography for your website, social media and sales presentations.

Why FBI

One team handles both the security systems and the media, so the same people who secure your site can tell its story. We plan carefully and deliver on time.

We would be pleased to visit one of your current sites for a free assessment and prepare a tailored quotation. Examples of our work are at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
