Re: Proposal for Live Streaming of University Events, Campus Films and CCTV Support

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and technology company with more than 500 projects delivered for over 300 clients across Ghana. As part of an international university network, Webster University Ghana has families, partners and alumni around the world. We would like to help you bring your campus moments to them.

How we can help

- **Multi-camera live streaming:** commencement ceremonies, conferences and public lectures streamed in HD, with backup internet and a full recording afterwards.
- **Campus and programme films:** recruitment videos, student and alumni stories, and aerial campus footage for admissions and social media.
- **Event photography and same-day highlight videos.**
- **CCTV and campus security:** survey, installation and maintenance of camera systems.

Why FBI

We combine production and technology under one roof, plan every job in detail and deliver on time.

We would welcome a short meeting to understand your calendar of events and prepare a tailored quotation at no cost. Our work can be viewed at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
