Re: Proposal for a Preferred Event Production and Live Streaming Partnership

Dear Sir/Madam,

From conferences of up to 200 in Nhyiemu to receptions of 350 on the Kpeehe terraces, The African Regent hosts events where organisers now also expect live streaming, video and photography. Film Beyond Imagination (FBI) would like to be your preferred production partner, so you can offer this with every booking.

What your event clients would receive

- **Live streaming** of conferences, launches, weddings and private parties to YouTube, Zoom or a private link, with multi-camera production and clean sound.
- **Video and photography**, from highlight films to full recordings and same-day social clips.
- **Screens and stage visuals:** camera feeds, slides and branding in Nhyiemu and Kpeehe.

What the hotel gains

- **A ready add-on for every booking** at partner rates, with a margin or referral share for the hotel.
- **One trusted crew** that knows your rooms, power and internet.
- **Fresh marketing content:** films and photography of your rooms, terraces and poolside for your website and social media.

Why FBI

We produce and stream live events across Ghana and run our own live channel, FBI TV. Clients include Imperial Homes, Criterion Media House and the District Assemblies Common Fund.

We would welcome a short meeting and walk-through, and will cover your next in-house event or promotion free of charge so you can judge our work.

Yours faithfully,

Jerbel Mark Addeh
