Re: Partnership Proposal for Live Streaming and Media Coverage of the Funerals You Arrange

Dear Sir/Madam,

Almost every family you serve has loved ones who cannot be there: children and siblings abroad, elderly relatives far away, friends who cannot travel. Today many of them watch a shaky phone video, if anything at all. Film Beyond Imagination (FBI) would like to help Ebenezer Funeral Parlour offer every family a dignified, professional live broadcast of the farewell.

What families would receive

- **A private HD live stream** of the service, burial or cremation, with clean sound, on a link relatives anywhere in the world can open.
- **A full recording** of the day, delivered afterwards as a keepsake.
- **A tribute video** from family photographs, played at the service and shared online.
- **Photography and a memorial film**, with optional drone coverage of the procession.

What Ebenezer gains

- **A new premium service** in your packages, delivered entirely by our crew at partner rates that leave room for your margin.
- **Your name on every stream**, watched by relatives at home and abroad.
- **Promotional films and photography** of your facilities and services for your website and social media.

Why FBI

We cover funerals and live events across Ghana and run our own live channel, FBI TV. Our crew is respectful and discreet, sets up early, and brings backup internet so the stream stays up.

To let you judge the quality yourself, we will stream one funeral you arrange at no cost to you or the family. We would welcome a short meeting to arrange it.

Yours faithfully,

Jerbel Mark Addeh
