Re: Proposal to Upgrade Live Streaming of Sunday Family Services and Midweek Programmes

Dear Rev. Xexemeku,

Open Heavens Temple already ministers online through YouTube and Facebook, with online pastors ready for those who cannot attend in person. Film Beyond Imagination (FBI) would like to help take your 7:00 and 10:00 Sunday Family Services, Friday Prophetic Power Night and Special Wednesdays to broadcast quality, so online worshippers feel truly present.

What we propose

- **A permanent multi-camera setup:** discreet cameras for the pulpit, worship team and congregation, run from one desk.
- **Clean broadcast sound** fed from your sound system, so worship sounds as good online as in the sanctuary.
- **Scripture and sermon graphics**, with simultaneous streaming to YouTube and Facebook.
- **Training for your media team**, with our support on call.

Also available

- Coverage of conventions, communion services, weddings and funerals, plus short sermon clips for Instagram and X.

Why FBI

We stream live events across Ghana and run our own live channel, FBI TV. We work quietly and respectfully during worship.

We would be glad to visit, assess the sanctuary and prepare a free design and quotation, and to stream one Sunday service with our full setup at no cost so you can judge the difference.

Yours faithfully,

Jerbel Mark Addeh
