Re: Partnership Proposal for Live Streaming and Media Coverage for the Families You Serve

Dear Sir/Madam,

As a licensed mortuary and funeral home serving families across Ga South, Kasoa and the Awutu Senya area, you see how many relatives cannot make it home for a funeral. Film Beyond Imagination (FBI) would like to help you offer every family a professional live broadcast of the farewell, so no one is left out.

What families would receive

- **A private HD live stream** of the service and burial, on a link relatives anywhere in the world can open.
- **A full recording** and a short memorial film, delivered as keepsakes.
- **A tribute video** from family photographs, played at the service.
- **Professional photography** and optional drone coverage of the procession.

What Jei Krodua gains

- **A new premium service** that sets you apart from other homes in the area, delivered entirely by our crew.
- **Partner rates** that leave room for your margin.
- **Promotional content** of your facility for social media, to reach families before they need you.

Why FBI

We cover funerals and live events across Ghana and run our own live channel, FBI TV. Our crew is respectful and discreet, and brings backup internet so the stream stays up.

To let you judge the quality yourself, we will stream one funeral you handle at no cost to you or the family. We would welcome a short meeting to arrange it.

Yours faithfully,

Jerbel Mark Addeh
