Logistics Park Security & Networking Proposal

Prepared for Agility Logistics Park, Tema

Tema Free Zones Enclave

Every gate, yard and warehouse in view.

Date: 2nd November, 2026

To: Mr. Dickson Odei, Agility Logistics Park, Free Zones Enclave, Tema

From: Film Beyond Imagination (FBI), Dome, Accra

Re: Proposal for CCTV, Access Control and Networking Support at the Tema Logistics Park

Dear Mr. Odei,

Agility Logistics Park offers move-in ready warehouses, open yards and commercial offices inside a secure perimeter, with bonded and non-bonded space and ISO 9001 and ISO 45001 standards. Tenants choose the park because they can trust it with their goods. Film Beyond Imagination (FBI) would like to support that promise as your local security and networking partner.

Security

- **HD and night-vision CCTV** covering the perimeter wall, gates, open yards, loading bays and warehouse aisles, with 24/7 recording and a central monitoring room.
- **Number-plate and gate cameras** logging every truck in and out, supporting bonded-area controls.
- **Access control** for warehouses, offices and restricted zones, with records by card or fingerprint.
- **Tenant camera options**, so each tenant can view its own unit on a phone.

Networking

- **Structured cabling, fibre links and outdoor Wi-Fi** across yards and offices, for scanners, systems and tenants.

Why FBI

A Ghanaian team that designs, installs and maintains security and network systems, with fast local support and maintenance plans so every camera keeps recording.

We would welcome a visit to the park for a free site survey and to prepare a design and quotation, whether for new units or upgrades to existing systems.

Yours faithfully,

Jerbel Mark Addeh
