Re: Proposal for a Media Partnership for Your Events and the Lush Garden Event Venue

Dear Sir/Madam,

Creative Ideas brings together event solutions, weddings, corporate events, private parties and destination management, with the Lush Garden Event Venue as a beautiful home for them. Film Beyond Imagination (FBI) would like to add professional media to that offer, so every event can be shared with guests who could not attend and remembered long after.

For your clients

- **Live streaming** of weddings, corporate events and celebrations to a private link, YouTube or Zoom, ideal for family and colleagues abroad.
- **Wedding and event films**, from highlight films to full recordings, plus professional photography.
- **Drone coverage** of outdoor ceremonies and garden setups.

For Creative Ideas and Lush Garden

- **A ready media add-on** for every booking, at partner rates with room for your margin.
- **A venue film and photo set** showing Lush Garden by day and night, for your website and social media.
- **Destination content:** short films for your travel and destination management services.

Why FBI

We produce and stream live events across Ghana and run our own live channel, FBI TV. Our crew is discreet, sets up early and brings backup internet.

We would welcome a short meeting and a walk-through of Lush Garden, and will film your next venue showcase free of charge so you can judge our work.

Yours faithfully,

Jerbel Mark Addeh
