# Event Production & Media Partnership

## Prepared for Mensvic Grand Hotel

**East Legon, Accra**

Every conference and celebration at Mensvic, filmed, streamed and shared.

**Date:** 2nd November, 2026

**To:** The General Manager, Mensvic Grand Hotel, East Legon, Accra

**From:** Film Beyond Imagination (FBI), Dome, Accra

**Re:** Proposal for a Preferred Event Production and Live Streaming Partnership

Dear Sir/Madam,

Mensvic Grand Hotel is a familiar choice for conferences, academic delegations and celebrations in East Legon. Today almost every organiser also wants their event streamed for remote participants, filmed and photographed. Film Beyond Imagination (FBI) would like to be your preferred production partner, so you can offer this as part of every booking.

### What your event clients would receive

- **Live streaming** of conferences, launches, weddings and celebrations to YouTube, Facebook, Zoom or a private link, with multi-camera production and clean sound.
- **Video and photography**, from highlight films to full recordings and same-day social clips.
- **Screens and stage visuals:** camera feeds, slides and branding on screens in the hall.

### What Mensvic gains

- **A ready add-on for every booking** at partner rates, with a margin or referral share for the hotel.
- **One trusted crew** that knows your halls, power and internet, so events run smoothly.
- **Fresh marketing content:** films and photography of your rooms, restaurant and event spaces for your website and social media.

### Why FBI

We produce and stream live events across Ghana and run our own live channel, FBI TV. Clients include Imperial Homes, Criterion Media House and the District Assemblies Common Fund.

We would welcome a short meeting and a walk-through of your event spaces, and will cover your next in-house event or promotion free of charge so you can judge our work.

Yours faithfully,

---
