Re: Partnership Proposal for Live Streaming, Video and Photography at Cornerstone Events

Dear Sir/Madam,

Cornerstone Events delivers full-service event management for conferences, award ceremonies, gala dinners, product launches, seminars and year-end functions. Today, corporate clients expect more than a great event in the room: they want it streamed to people who cannot attend, filmed for their brand, and on social media the same day. Film Beyond Imagination (FBI) would like to be your dedicated media partner.

What your clients would receive

- **Multi-camera live streaming** to YouTube, Facebook, Zoom or a private link, with lower-thirds, slides and remote speakers, and backup internet so the stream stays up.
- **Event films:** a same-day highlight reel for social media and a full recording of sessions and speeches.
- **Professional photography** with quick edited selections for press and social media.
- **Drone coverage** and stage screen content for launches and outdoor events.

What Cornerstone gains

- A reliable media crew on call for your bookings, at partner rates that leave room for your margin.
- A complete "event plus media" package that helps you win larger corporate contracts.
- Showreel films of your own events to market Cornerstone.

Why FBI

We stream and film live events across Ghana and run our own live channel, FBI TV. Clients include Criterion Media House, Imperial Homes and the District Assemblies Common Fund.

We would welcome a short meeting, and we will cover one of your upcoming events at partner rates so you can judge the quality.

Yours faithfully,

Jerbel Mark Addeh
