Re: Partnership Proposal for Event Production, Live Streaming and Promotional Media

Dear Frieda,

Eastgate Hotel welcomes business travellers and small meetings in the heart of East Legon, with a meeting room and business centre on site. Many of the meetings, workshops and family events hosted in hotels today need a hybrid option: a live stream for remote participants, or a recording to share afterwards. Film Beyond Imagination (FBI) would like to give Eastgate that capability through a simple partnership.

What your guests would receive

- **Live streaming and hybrid meetings** on Zoom, YouTube or a private link, with professional cameras and clear sound.
- **Recordings and highlight videos** of workshops, launches, birthdays and family celebrations.
- **Event photography**, with edited images delivered quickly.

What Eastgate gains

- **A ready-made add-on** for your meeting packages, delivered by our crew at partner rates with room for your margin.
- **A promotional film and photography** of your rooms, meeting room, restaurant and grounds for booking sites and social media.
- **Optional:** a review of your guest Wi-Fi and CCTV, which we also install and maintain.

Why FBI

We stream and film live events across Ghana and run our own live channel, FBI TV. Our crew is discreet, sets up early and brings backup internet.

We would welcome a short meeting at the hotel to agree partner rates and plan a promotional shoot.

Yours faithfully,
