Re: Proposal for Event Coverage, Live Streaming, School Promotional Media and Campus Security

Dear Sir/Madam,

GISA's calendar is full of moments families treasure: the Lantern Festival, the Cultural Festival at the Goethe-Institut, the Long Night of Mathematics and Reading Aloud, the Christmas Market and graduations. Many parents and grandparents, in Ghana and in Germany, cannot be there in person. Film Beyond Imagination (FBI) would like to help GISA share these moments professionally.

School media

- **Live streaming** of concerts, festivals, graduations and assemblies on a private link for parents and families abroad.
- **Event films and photography**, with highlight videos for your website, newsletter and social media.
- **A school promotional film** showing your Child Care Center, classrooms, activities and the football academy, to support admissions.

Campus security

- **CCTV** at gates, drop-off and pick-up areas, playgrounds and corridors, with a monitor at the security post.
- **Access control** for staff and visitors, and reliable campus Wi-Fi and networking.

Why FBI

We cover live events across Ghana and run our own live channel, FBI TV, and we also install and maintain CCTV and networks. Our crew works discreetly around children and respects your photo-consent rules.

We would welcome a short meeting. We can cover one upcoming event, such as the Christmas Market, at no cost so you can judge the quality, and offer a free site survey and quotation for campus security.

Yours faithfully,

Jerbel Mark Addeh
