Re: Proposal for Professional Live Streaming and Media for Services and Church Events

Dear Sir/Madam,

Members who travel, work on Sundays, are unwell or live abroad still want to be part of every service, and many new visitors first meet a church online. Film Beyond Imagination (FBI) would like to help Word Miracle Church International bring every service and programme to them in professional quality.

Live streaming

- **Multi-camera HD streaming** of Sunday services, midweek services and special programmes to YouTube, Facebook and your website, with clear sound and scripture and announcement graphics.
- **A permanent streaming setup** option: discreet fixed cameras and a simple control desk, with training for your media team so they can run it every week.
- **Backup internet** so the stream stays up.

Church media

- **Sermon clips and highlight videos** for social media every week.
- **Coverage of conventions, crusades, weddings and funerals**, with photography and drone footage.
- **Optional CCTV and Wi-Fi** for the church premises and car park.

Why FBI

We stream and film live events across Ghana and run our own live channel, FBI TV. Our crew is respectful during worship and sets up early.

We would welcome a meeting and a free assessment of your auditorium, followed by a quotation for one-off coverage or a permanent setup.

Yours faithfully,

Jerbel Mark Addeh
