Re: Partnership Proposal for CCTV, Access Control and Smart Building Systems

Dear Sir/Madam,

From Crystal, Granite and Emerald Court in Cantonments to Jade and Lena Court in North Ridge, Diamond Ridge and Sole Lagoon View Estates, Express Property manages residences where security is part of the promise. Film Beyond Imagination (FBI) would like to help you strengthen that promise.

What we would deliver

- **HD CCTV** at gates, car parks, lobbies and perimeters, viewable centrally by your facilities team.
- **Access control** for residents, staff and visitors, with visitor logs and lift or lobby entry.
- **Smart apartment features**: smart locks, lighting and AC control for premium units.
- **Building-wide Wi-Fi** and networking for residents and common areas.

What Express Property gains

- **One installer and support contract** across all your courts, at partner rates.
- **Higher-value lettings** and fewer security incidents to manage.

We offer a free survey, design and quote for one of your courts. We would welcome a short meeting.

Yours faithfully,

Jerbel Mark Addeh
