Re: Partnership Proposal for Live Streaming and Media Coverage of Your Funerals

Dear Sir/Madam,

Your Platinum package already includes a live stream, and your diaspora coordination shows how many families have loved ones abroad. Film Beyond Imagination (FBI) would like to be the crew behind those streams, and help you offer media in every package, not only the top one.

What families would receive

- **A private HD live stream** of the service and burial, with clean sound and backup internet, on a link shared worldwide.
- **A full recording** and a **tribute video** from family photographs.
- **Photography and a memorial film**, with optional drone footage of the procession.

What Memorial Planner gains

- **A reliable streaming crew** on call for your Platinum funerals, at partner rates that protect your margin.
- **Add-on media options** for Brass, Silver and Gold packages.
- **Content for your marketing**: films and photos of the dignified farewells you organise.

Our crew is respectful and discreet and arrives early to test. To let you judge the quality, we will stream one funeral at no cost to you or the family. We would welcome a short meeting to arrange it.

Yours faithfully,

Jerbel Mark Addeh
