# Campus Security & Networking Proposal

## Prepared for Tema International School

**Primary (PYP) campus · Main campus & secondary boarding (MYP / DP) · Tema**

Two campuses, one safe and connected TIS.

**Date:** 28th October, 2026

**To:** The Head of School, Tema International School, Off Tema–Akosombo Road, P.O. Box CO 864, Tema

**From:** Film Beyond Imagination (FBI), Dome, Accra

**Re:** Proposal for CCTV, Access Control and Network Upgrades Across Both TIS Campuses

Dear Head of School,

With a Primary campus and a main campus with secondary boarding, Tema International School looks after students day and night across two sites. Film Beyond Imagination (FBI) would like to help you keep both campuses safe and well connected with one integrated system.

### What we would deliver

- **HD CCTV** at gates, car parks, corridors, play areas, boarding houses and perimeter walls, with central recording and remote viewing for management.
- **Access control** for staff, students and visitors, including boarding houses, labs and offices, with a log of every entry.
- **Networking and Wi-Fi** across both campuses, linked into one managed network for teaching, boarding and administration.
- **Maintenance and support** under a service agreement.

### Also available

- **Live streaming and video** of graduations, IB exhibitions, sports days and student productions, so parents abroad never miss a moment.

We offer a free site survey, system design and quote for both campuses, scheduled around lessons. We would welcome a short meeting with your operations and IT leads.

Yours faithfully,

---
