Re: Proposal for Live Streaming and Media Production Support for Services and Programmes

Dear Sir/Madam,

The Prayer Cathedral serves thousands on site and many more online through @actionchapelgh, with services from Sunday mornings to Friday Prayer Encounter, and programmes such as Kairos. Film Beyond Imagination (FBI) would like to support your media team to deliver every service and event in broadcast quality.

What we offer

- **Multi-camera live streaming** of services and special programmes to YouTube, Facebook and your website, with clean sound from your desk and backup internet.
- **Camera, switching and streaming upgrades** for the cathedral: design and installation of a permanent broadcast setup your team can run.
- **Training** for your media volunteers on cameras, switching and live graphics.
- **Event coverage** for conventions, Kairos and anniversary programmes, plus short clips and promos for social media.
- **CCTV and networking** for the church grounds and car parks, if useful.

Why FBI

We run our own live channel, FBI TV, and stream events, conferences and funerals across Ghana. We understand worship: we stay discreet and keep the focus on the service.

We offer a free assessment of your current streaming setup with written recommendations. We would welcome a short meeting with your media team.

Yours faithfully,

Jerbel Mark Addeh
