# Smart Home & Estate Security Partnership

## Prepared for Lakeside Estate

**14 communities · Ashale-Botwe · Lakeside Marina Park**

Every Lakeside home smart, every street secure.

**Date:** 27th October, 2026

**To:** The Management, Lakeside Estate, 7th Floor, Silver Star Towers, Airport City, Accra

**From:** Film Beyond Imagination (FBI), Dome, Accra

**Re:** Partnership Proposal for Smart Home Automation and Estate-Wide CCTV at Lakeside Estate

Dear Sir/Madam,

With 600 homes delivered across 14 communities, Lakeside Estate already lists CCTV, fence walls and security doors among its amenities. Film Beyond Imagination (FBI) would like to help you take that further: smart homes buyers can control from their phones, and one connected security system covering the whole estate.

### What we would deliver

- **Estate-wide CCTV:** HD cameras at gates, streets and the Marina Park, recorded centrally and viewable by your security team and management in real time.
- **Access control** at estate gates and community entrances: resident cards or app access, visitor logs and barrier integration.
- **Smart home packages** for new units, from London Residence apartments to 4-bedroom homes: smart lighting, door locks, cameras and AC control from one app, offered as a standard or upgrade option.
- **Estate networking:** structured cabling and Wi-Fi for the sales office, clubhouse and common areas.

### What Lakeside gains

- **A stronger selling point** for buyers at home and in the diaspora, who can check on their property from anywhere.
- **Partner rates** on installation across your communities, with room to package smart features into your prices.
- **One trusted installer** for design, installation and maintenance. Past clients include Imperial Homes and the District Assemblies Common Fund.

We offer a free site survey, system design and quote for one of your communities. We would welcome a short meeting at your sales office.

Yours faithfully,

**Jerbel Mark Addeh**
