Re: Proposal for an In-House Event Production Partnership

Dear Sir/Madam,

Tang Palace hosts conferences, banquets, balls and weddings in its meeting rooms, events centre and garden. Today, clients increasingly ask for their events to be live streamed, filmed and photographed. Film Beyond Imagination (FBI) would like to be your recommended production partner, so your sales team can offer it in every quote.

What your clients would receive

- **Live streaming** of conferences, launches, weddings and AGMs, in HD with clean sound, to YouTube, Zoom or a private link.
- **Multi-camera video** and same-day highlight edits for social media.
- **Event photography** and optional drone coverage of the hotel and garden.
- **Screens and stage visuals** coordinated with your AV equipment.

What Tang Palace gains

- **A complete events package** to win more corporate and wedding bookings.
- **Partner rates** with a referral margin for the hotel on every booking.
- **A promotional film and photo set** of your rooms, events centre, pool and restaurant for your website and online travel listings.

We have produced events and campaigns for clients including Criterion Media House and the District Assemblies Common Fund, and run our own live channel, FBI TV. We would welcome a short meeting with your events team to agree partner rates.

Yours faithfully,

Jerbel Mark Addeh
