Re: Proposal to Become Your Preferred Photography, Video and Live Streaming Partner

Dear Sir/Madam,

Canis Majoris Centre hosts weddings, corporate retreats, celebrations and family gatherings. Every one of those events is a moment your clients want photographed, filmed and, increasingly, streamed to family and colleagues who cannot attend. Film Beyond Imagination (FBI) would like to be the media partner you recommend.

What your clients would receive

- **Photography and cinematic videography** of weddings, parties and corporate events.
- **Live streaming** to a private link, so guests abroad can watch, including weddings and funeral receptions.
- **Same-day highlight videos** and drone footage for outdoor occasions.

What Canis Majoris Centre gains

- **A complete package** to offer clients at booking, at agreed partner rates, with a referral arrangement for the Centre.
- **Professional photos and short films of your venue** for your website and social media, to win more bookings.

Why FBI

We have delivered more than 500 projects across Ghana. Our crew is respectful, arrives early, and delivers on time.

We would welcome a short meeting with your banquet team and the chance to cover one upcoming event as a showcase.

Yours faithfully,

Jerbel Mark Addeh
