Re: Proposal for an Event Media Partnership, Live Streaming and Venue CCTV

Dear Sir/Madam,

From garden ceremonies to your ballroom and roof spaces, Glass Gardens hosts weddings, conferences, product launches, galas and celebrations, and already helps clients find sound and lighting. Film Beyond Imagination (FBI) would like to be the media partner you recommend alongside them.

For your clients' events

- **Photography and cinematic videography** of weddings, corporate events and celebrations.
- **Live streaming** for guests abroad and hybrid corporate events, with backup internet.
- **Same-day highlight videos** and drone footage of garden and rooftop events.

For Glass Gardens

- **Partner rates and a referral arrangement** for bookings that include FBI media.
- **Promotional film and photography** of your spaces for Instagram, TikTok and your website.
- **CCTV** for gates, car park and event spaces, viewable on management's phones.

Why FBI

We have delivered more than 500 projects across Ghana. We plan carefully and deliver on time.

We would welcome a short meeting and the chance to cover one upcoming event as a showcase.

Yours faithfully,
