Re: Proposal for Campaign Films, Impact Stories, Event Coverage and Photography

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and communications company with more than 500 projects delivered across Ghana, including campaign work for the District Assemblies Common Fund. We would like to help ActionAid Ghana tell the stories behind its campaigns and regional programmes.

What we offer

- **Campaign and advocacy films:** short, shareable videos for your campaigns, in English and local languages.
- **Impact stories** from your regional programmes, filmed with consent and safeguarding built into every shoot.
- **Event coverage and live streaming:** policy dialogues, launches and community forums, with photography and same-day highlights.
- **Field photography and drone footage** for reports and donor communications.

Why FBI

We travel to every region, plan around your safeguarding policies, and deliver on time for your reporting and campaign deadlines.

We would welcome a short meeting with your communications team. Our work can be viewed at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
