Re: Proposal for a Photography, Video and Live Streaming Partnership for Your Events

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and photography company with more than 500 projects delivered for over 300 clients across Ghana. Your clients' conferences, corporate events, weddings and excursions all need to be captured well. We would like to be the media partner you can rely on for every one of them.

What we offer your events

- **Photography and videography:** professional coverage of conferences, launches, weddings and celebrations.
- **Multi-camera live streaming:** for hybrid conferences and for guests who cannot attend, with backup internet.
- **Same-day highlight videos** your clients can share while the event is still trending.
- **Aerial drone footage** for outdoor events and venues.

How the partnership works

You include media in your event packages, and we deliver under your planning, on your schedule. We can agree partner rates so the service adds margin to your packages.

We would welcome a short meeting to agree partner terms. Our work can be viewed at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
