Re: Proposal for a Photography, Video and Live Streaming Partnership for Your Events

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and photography company with more than 500 projects delivered for over 300 clients across Ghana. From weddings and graduations to product launches, christenings and funerals, every event you coordinate is a moment your clients want captured. We would like to be the media partner you recommend.

What we offer your events

- **Photography and videography** for every type of event you plan.
- **Live streaming** for family and guests abroad, including weddings and funerals, with backup internet.
- **Same-day highlight videos** and full edited films.
- **Aerial drone footage** for outdoor ceremonies.

How the partnership works

You add media to your packages, and we deliver on your timeline and under your coordination, so your clients deal with one planner. We can agree partner rates.

We would welcome a short meeting to agree partner terms. Our work can be viewed at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
