Re: Proposal for a Photography, Video and Live Streaming Partnership

Dear Sir/Madam,

Film Beyond Imagination (FBI) is an Accra-based film, broadcast and photography company with more than 500 projects delivered for over 300 clients across Ghana. The florals, backdrops and styling you create deserve to be captured as beautifully as they are designed, both for your clients and for your own portfolio.

What we offer

- **Event photography and cinematic videography** for the weddings, corporate events and celebrations you style.
- **Portfolio content for Pearly Petal:** styled photographs and short reels of your setups for Instagram, TikTok and your website.
- **Live streaming** for guests abroad, with backup internet.
- **Content for Pearly Petal Training**: short tutorial and promotional videos.

How the partnership works

We cover your clients' events as your recommended media partner at agreed partner rates, and capture your setups for your own marketing at the same time.

We would welcome a short meeting. Our work can be viewed at fbigh.com.

Yours faithfully,

Jerbel Mark Addeh
