Re: Proposal for an Event Production Partnership for Conferences, Functions and Social Events at Fiesta Royale

Dear Sir/Madam,

With four air-conditioned conference venues, the largest seating up to 360 theatre style, and day and residential conference packages, Fiesta Royale is a preferred choice for conferences, meetings and functions in Accra. More and more of those clients now need remote delegates to join and want professional media of their event. Film Beyond Imagination (FBI) would like to be your in-house event production partner.

What your clients would receive

- **Live streaming** of conferences, AGMs, launches and functions in HD, with remote speakers and delegates able to join.
- **Multi-camera production and screen feeds** in your largest venue, with clean sound and graphics.
- **Event photography, highlight films and interviews** delivered quickly for the client's media and social channels.

What Fiesta Royale gains

- **Stronger conference packages**: add streaming and media as options, at partner rates that leave room for your margin.
- **A trusted crew on call** who know your venues, so every event runs smoothly.
- **Promotional films and photography** of your venues and events for your website and sales team.

Why FBI

We produce live events, broadcasts and corporate media across Ghana, and run our own live channel, FBI TV. We would welcome a meeting with your events team, and will cover one event at Fiesta Royale as a showcase so you can judge the quality yourself.

Yours faithfully,

Jerbel Mark Addeh
