Re: Proposal for CCTV, Access Control and Network Upgrades at Koala Shopping Centre

Dear Sir/Madam,

Koala at Danquah Circle is one of Osu's best-known shopping destinations. A store that busy means high-value stock, busy tills and constant deliveries. Film Beyond Imagination (FBI) would like to help you protect your stock, staff and shoppers.

What we offer

- **HD CCTV** covering entrances, aisles, high-value shelves, tills, stockrooms, receiving bays and the car park.
- **Remote viewing** for management on phone and laptop, with recordings kept long enough to investigate any incident.
- **Access control** for stockrooms, cash offices and staff areas, with a log of who entered and when.
- **Networking and Wi-Fi** for point-of-sale, inventory and card payments, built to stay up at peak hours.
- **Maintenance plans** with fast response.

What Koala gains

- Less shrinkage, quicker answers when incidents happen, and fewer outages at the tills.
- One accountable partner for cameras, access and network.

We would welcome a meeting, and will carry out a free site survey with a clear, itemised quotation.

Yours faithfully,

Jerbel Mark Addeh
