Re: Partnership Proposal for Broadcast Production and Live Streaming of Services and Special Events

Dear Sir/Madam,

Royalhouse Chapel already invites people everywhere to join its services live through Powerline TV on YouTube. Film Beyond Imagination (FBI) would like to support your media ministry with extra broadcast-grade capacity for the services and special events where quality and reach matter most.

What we offer

- **Multi-camera live production** for conventions, crusades, anniversaries and special services, with professional switching, graphics and clean sound.
- **Simultaneous streaming** to YouTube, Facebook and your website, with backup internet so the stream stays up.
- **Extra crew and equipment** to support your in-house team on your biggest days.
- **Highlight films, photography and drone coverage** of events and outreach for social media and partners.
- **Broadcast on FBI TV**, our live channel, for selected programmes.

Why FBI

We produce live events and broadcasts across Ghana, and our crew is respectful, early to set up, and experienced in church settings. We offer partner rates for churches and can also advise on permanent camera and sound upgrades.

We would welcome a meeting with your media team, and will provide a free technical assessment and quotation for your next major event.

Yours faithfully,

Jerbel Mark Addeh
