Re: Proposal for Hybrid Meeting, Live Streaming and Event Media Services for Your Clients

Dear Sir/Madam,

The Nest, Theodosia, Ephraim and the Atrium make The Pelican a natural home for board meetings, workshops, small conferences and celebrations in Cantonments, a district full of embassies, NGOs and corporate offices whose meetings often include people joining from abroad. Film Beyond Imagination (FBI) would like to help you offer them a seamless hybrid experience.

What your clients would receive

- **Hybrid meeting setups**: cameras, microphones and screens so remote participants see and hear every speaker clearly.
- **Live streaming** of workshops, launches and panel discussions to YouTube, Zoom or a private link.
- **Event photography and short highlight videos**, delivered quickly.
- **Celebration coverage** for dinners and cocktail events in the Atrium.

What The Pelican gains

- **A premium add-on** for every meeting package, at partner rates that leave room for your margin.
- **A competitive edge** with corporate and diplomatic clients who need hybrid meetings.
- **Promotional photos and video** of your rooms for your website and sales team.

Why FBI

We produce live events, broadcasts and corporate media across Ghana, and run our own live channel, FBI TV. We would welcome a short meeting, and will cover one event at The Pelican as a showcase.

Yours faithfully,

Jerbel Mark Addeh
