Re: Partnership Proposal for Event Media, Live Streaming and a Promotional Film for Villa Monticello

Dear Sir/Madam,

Villa Monticello is known for luxury and personal service in the Airport Residential Area, and the intimate meetings, dinners and celebrations you host deserve media to match. Film Beyond Imagination (FBI) would like to partner with you on two fronts: media for your guests' events, and films that sell the Villa itself.

For your guests' events

- **Photography and cinematic highlight films** of weddings, private dinners, launches and celebrations.
- **Live streaming and hybrid meeting setups** so guests abroad and remote participants can join.
- **Partner rates** so your events team can offer media inside its packages with room for your margin.

For Villa Monticello

- **A promotional film** of your rooms, dining and event spaces, with drone footage of the property, for your website, booking platforms and social media.
- **A fresh photo library** for marketing and PR.

Why FBI

We produce corporate media, live events and broadcasts across Ghana, and run our own live channel, FBI TV. Our crew is discreet and respects your guests' privacy.

We would welcome a short meeting with your marketing and events team, and will cover one event at the Villa as a showcase so you can judge the quality yourself.

Yours faithfully,

Jerbel Mark Addeh
