Re: Proposal for an Event Production Partnership for Conferences, Weddings and Celebrations at Alisa North Ridge and Alisa Tema

Dear Sir/Madam,

With the Alisa Pavilion seating up to 1,000, the Ridge Arena, Asante Hall and your outdoor lawns at North Ridge, plus the Meridian Arena and Tema Pavilion, Alisa hosts some of the most important conferences, weddings and celebrations in Accra and Tema. Film Beyond Imagination (FBI) would like to be your in-house event production partner.

What your clients would receive

- **Live streaming** of conferences, launches and weddings in HD, so remote delegates and family abroad can join.
- **Stage screens and multi-camera production** for large halls, with clean sound and graphics.
- **Event photography, highlight films and drone coverage.**
- **Wedding packages** that add film and streaming to your "Yes I Do" offers.

What Alisa gains

- **A complete offer**: venue, catering and media from one booking, with partner rates that leave room for your margin.
- **A trusted crew on call** who know your halls, so events run smoothly.
- **Promotional films and photography** of your halls and events for your website and social media.

Why FBI

We produce live events, broadcasts and corporate media across Ghana, and run our own live channel, FBI TV. We would welcome a meeting with your events team, and will cover one event in your halls as a showcase so you can judge the quality yourself.

Yours faithfully,
