Re: Media Partnership Proposal for Your Weddings, Corporate Events and Celebrations

Dear Sir/Madam,

From luxury weddings to golden anniversaries, conferences and dinners, Belanley Creations plans and styles events that clients never forget. Film Beyond Imagination (FBI) would like to be your media partner, so every detail you create is captured beautifully and shared widely.

What your clients would receive

- **Cinematic wedding and event films**, from same-day highlight edits to full features.
- **Professional photography** of the décor, the couple or hosts, and the guests.
- **Live streaming** on a private link for family and friends abroad.
- **Drone coverage** of venues, entrances and processions.

What Belanley gains

- **Partner rates** that let you offer media inside your packages with room for your margin.
- **A reliable crew** who follow your timeline and respect your styling.
- **Portfolio content**: styled footage and photos of your décor for your website and social media.
- **Referrals** from our own clients who need a planner.

Why FBI

We cover weddings, funerals, corporate events and live broadcasts across Ghana, and run our own live channel, FBI TV.

We would welcome a short meeting to agree partner rates, and would gladly cover one of your upcoming events at a special introductory rate.

Yours faithfully,

Jerbel Mark Addeh
