Re: Partnership Proposal for Broadcast Production and Live Streaming of Services and Special Events

Dear Sir/Madam,

Perez Chapel International reaches a congregation far beyond the Perez Dome, across Ghana and around the world. Film Beyond Imagination (FBI) would like to support your media ministry with broadcast-grade production for the services and special events where quality matters most.

What we offer

- **Multi-camera live production** for conventions, crusades, ordinations and special services, with professional switching, graphics and clean sound.
- **Streaming to every platform** at once (YouTube, Facebook and your website), with backup internet so the stream stays up.
- **Extra crew and equipment** to support your in-house team on your biggest days.
- **Highlight films, photography and drone coverage** of events and outreach for social media and partners.
- **Broadcast on FBI TV**, our live channel, for selected programmes.

Why FBI

We produce live events and broadcasts across Ghana, and our crew is respectful, early to set up, and experienced in church settings. We offer partner rates for churches and can also advise on permanent camera and sound upgrades for the Dome.

We would welcome a meeting with your media team, and will provide a free technical assessment and quotation for your next major event.

Yours faithfully,

Jerbel Mark Addeh
